

## Why choose The Residences at Harbor Watch?

**Welcome Home** – You feel it the second you walk in the door. We’re like a family. Our elegant, home-like community is just the right size; allowing us to get to know our residents and personalize their experiences.

**Let the Good Times Roll!** Our residents are lively! They enjoy the spontaneity of running into their friends and sharing a drink at our Pub, as well as signing up for classes offered by our Life Enrichment department. Let us know your interests and we can make some suggestions.

**Retirement with a View!** We have several apartment styles to choose from, some of which feature breathtaking views of the bay! Additional bonuses are the washer and dryer included in all of our apartments, as well as the option to rent a garage for your car or extra storage. We’re sure you’ll find an apartment to meet your needs.

**Your Pathway to Wellness** – The well-being of our residents, family members and staff is important to us. That’s why we created a program called Pathway to Wellness! The program features fitness classes, personal training, self-defense lessons, massage and more, all available to our residents and the general public! We’d love to have you try-out one of our classes!

**Assistance When You Need It** -- We recognize that even the most independent person might need some assistance once in a while. With staff available 24 hours a day, seven days a week, we offer flexibility in providing services for our residents.

**The Value** – You can’t really put a price on a feeling, but we strive to provide a senior living experience that is of great value to our residents. Our residents enjoy the amenities of a club-lifestyle, with the flexibility of month-to-month leases.

**In the Heart of it All!** The Residences at Harbor Watch is conveniently located in the heart of Petoskey near shops, restaurants, physician offices, and more.

**Home Cooking** – Our chef prepares delicious meals that bring back fond memories of your mom’s home cooking! Our residents dine together and create new memories they cherish forever!

**Compassion & Teamwork:** Our staff members show compassion, patience, kindness and a desire to work together as a team to help others. We care about our residents and their families.

We welcome you to join the club!
