

Regardless of the floor plan, each unit is spacious, yet homey, and features all the comforts of a freestanding home, but without the maintenance and upkeep. Apartment features include:

- Eat-in kitchens with refrigerator, range, and dishwasher
- Private washer and dryer
- Carpet and hardwood flooring
- Electric fireplace
- Ample storage and closet space

And since, for some, home is not a home without a four-legged pal, The Residences at Harbor Watch welcomes pets less than 30 pounds.
